WARRANTY AND SUPPORT

5

Third Wave Power warrants the device against defects in materials and workmanship under normal use. The warranty period is 1 year for mPowerpad and mPowerpack from the date of original purchase. During the warranty period, if a defect arises, and you follow the instructions below for submitting a warranty claim, we will, at our option, either (i) repair the device using either new or refurbished parts or (ii) replace the device with a new or refurbished unit. This limited warranty applies to any repair, replacement part or replacement device for the remainder of the original warranty period or for 30 days, whichever period is longer. All replaced parts and devices for which a refund is given shall become property of Third Wave Power. This limited warranty applies only to hardware components of the device that are not subject to accident, misuse, neglect, fire or other external causes, unauthorized use, alterations or repair, or commercial use.

Submitting a warranty claim

Before you submit a warranty claim, we recommend that you first visit the Support section for assistance. Valid warranty claims are generally processed through the point of purchase during the first 30 days after purchase; however this may vary depending on where you purchased the device – please check with your reseller. If you need to claim warranty directly from Third Wave Power, please email a copy of your purchase and a description of the technical problem to support@thirdwavepower.com.

Important notes

Do not send any parts or product to Third Wave Power without contacting and obtaining instructions on how to return. The warranty is void on the following conditions:

1. Any parts or parts therein is or are altered, adjusted, dismantled, modified, handled or tampered in any way whatsoever by any person or persons not authorised by us.
2. The product is damaged by accident, force majeure, fire, lightning, mishandling or failure to follow enclosed instructions.
